

LEGOLAND® Hotel Fact Sheet 2013

- Opens April 5, 2013!
- The three-story, 250-room Hotel immerses guests in the creative world of LEGO® as it's designed to bring children's imaginations to life
- Guests can choose between three themed rooms: Pirate, Adventure or Kingdom
- Guests can choose between themed or premium themed rooms...premium themed rooms have additional LEGO models and décor such as themed wall paper
- There are 51 premium themed rooms
- There are 24 suites with king beds and three television sets
- Every room has a separate sleeping area for up to three children complete with bunk beds and a pull-out trundle bed
- Every room has two TVs so kids can watch movies and play games in their own sleeping area
- Every room includes a treasure chest that younger guests can unlock once they complete a special treasure hunt activity finding clues throughout their room!
- There are at least eight LEGO models in every room
- There are approximately 3,422 LEGO models in the entire Hotel created out of more than three million LEGO bricks!
- The spectacular entrance leads to themed play areas, a family pool, lounge, family restaurant, LEGO models and interactive features throughout
- Behind the reception desk in the lobby there is an entire wall created out of 6,000 LEGO Minifigures!
- Seven of the large LEGO models throughout the Hotel are animated
- A family of four LEGO dragons reside in the Hotel: One smoke-breathing dragon at the entrance, a playful young dragon in the lobby sits on top a handle and slowly spins it to make a LEGO river flow, a baby dragon peers over the ledge of the castle in the atrium play area and an interactive bubble-blowing dragon is taking a bath on the patio as she playfully sprays water and "speaks" to young guests
- Inside the Castle Play area, a pirate ship with a pirate blimp attached is attempting to dock in a LEGO filled moat next to an interactive castle

- The Castle Play area is based on the LEGO Kingdom and Pirates line with elements from Adventure
- Young guests can raise the pirate flag by turning the captains wheel and a loud canon blast is sounded when it reaches the top
- Mini's Lounge is adjacent to the Castle Play area and provides guests an opportunity to sit back, relax and enjoy some beverages and quick snacks
- The Skyline Café features a LEGO skyline which includes 35 different scenes
- Bricks Family Restaurant includes a buffet station designed specifically for kids with healthy options all at a height they can reach
- Ever been in a Disco Elevator? As guests enter the elevator, lights pulsate in the ceiling to music, a mirror ball rotates and a different sound effect announces arrivals on each floor
- A fitness center is located on the first floor
- The LEGO Event Room is located on the first floor and can occupy up to 110 people
- All rooms will have Wifi
