LEGOLAND® California

Coaches, Teachers, & robotics enthusiasts:

Learn to teach robotics by doing it yourself!

Tufts University Center for Engineering Education & Outreach and LEGO® Education developed materials for this hands-on workshop.

Interactive presentations with robotics experts and experienced robotics coaches

Workshop Purpose

To facilitate hands-on learning with LEGO Robotics for those who use or plan to teach robotics, coach robotics teams, use robotics to teach math or science

To provide shared experiences, resources, strategies, tips, and tricks for coaching an FLL team or implementing LEGO robotics in the classroom

To meet fellow MINDSTORMS users and experts

Choice of Hands-On workshops with
LEGO MINDSTORMS® EV3 robotics (for ages 9+)
Or LEGO We Do® kits (for ages 6-9)

Professional Development
