We offer eight (8) unique Education Experiences, which are included in park admission for your school field trip. Experiences are approximately 45 minutes in length and begin every hour, on the hour. Education Experiences are located in Imagination Zone, which is located at the rear of the park near Cypress Gardens.

If your Education Experience starts at 10:00AM, please plan to arrive to the park by 9:15AM to allow time for admission into the park and walk time to Imagination Zone. If you are running late for any reason, please give our Education Coordinator a call at 1-863-956-7871 to inform them of your anticipated arrival time. While we will make every attempt to accommodate your group when they arrive, we cannot guarantee that we will be able to reschedule your Education Experience to a later time so it is important that you arrive on time.

When you arrive at Imagination Zone, please check in at the MINDSTORMS Reception Desk (located across from the WB Play Zone) 15 minutes prior to the start of your Education Experience. One of our Education Facilitators will show you to your room.

Please note that if you have booked a self-guided program, you will not have a reservation for an Education Experience. Please visit www.legoland.com/education to download our Educational Resource Guides to assist in planning a self-guided lesson during your field trip.
